Winemaker's Notes: *Fruit driven style all about retention of primary fruit flavours. This wine should express pure fruit clarity as the region, season and vineyard defines. This is a single vineyard estate grown wine. The fruit was hand picked and chilled in a cool room overnight before gentle whole bunch pressing to create an elegant, refined wine style. The character of the fruit and quality of the wine gives it tremendous aging potential. As it ages the flavours will become more complex, softer and honeyed.*
